## Back on track

*Your guide to the weight loss aisle*

Now's the time to get into shape – it's easy with a little help from the products featured in this guide.

The start of a new year is the perfect time to get back on track and lose some weight. The best way to lose weight is healthy eating and exercise, but sometimes you need a little extra push. At Woolworths, there's a range of products that can help. From meal-replacement shakes to snack bars, there's a product guaranteed to have you on the road to weight-loss success without feeling deprived.

*Fast Fact*

Hunger pangs are often a signal that you're thirsty. Drink a big glass of water and if you still feel hungry, have something to eat.

“The products in the weight loss aisle at Woolworths can help you achieve your new year's resolutions so you can greet the new year looking and feeling better than ever.”

Serena Anson-Cope, Woolworths Business Manager
