**HEADS UP, gentlemen:** Office attire can be both comfortable and polished with trousers made of breathable technical fabrics and relaxed button-ups topped with a casual bomber. Take this look from work to the gym, errands and beyond. A statement backpack adds interest and keeps your gear in order.

**EVEN DAPPER LOOKS** can add an athisure edge when incorporating lightweight fabrics or by pairing a flowy, feminine outfit with daring sneakers. Adding accessories like dainty jewelry or a coordinated pocket square elevates the style for a polished finish.
